- 4 Smriti Purohit Tchr** *True to its name, the trip was incredible. It was mesmerized by the beauty of the GOHAR HILLS and the charming sitting of Manali Huts. The trip brought us closer to nature and helped us to explore our inner strength. The captivating beauty of Manali and Rohtang will remain emprinted on my memory to recall when in pensive or vacant mood. would definitely like to go on such trips and explore natures bounty.*
- 5 Anandita Purohit 9a** *The trip was nice experience. However it become abit tiring because of the traveling. But the facilities were excellent. Few points can be kept in future. a. Overcoat so that you don't get wet in river rafting. b. B body suits. Travelling by buses instead of cars jeeps etc. But over all the trip was amazingspecially river crossing and Rohtang pass. Loved it incredible. In no other excurtion can you get such good facilities. Thanks to Azad Sir,*
- 6 Anjali Rajan 9e** *Frankly this was my most enjoyable trip till now. I haven,t had any experience of going for a tiring trip like tjis where we had trekking, rafting, river crossing etc. But Sir, you could have made the trip a little more exciting by traveling by buses or trains. 11. **Shivi Yashi** 11 *I had an amazing time in this adventure packed trip.8June to 18 June 2010.You cant say it was a good time but a series of memorable moments because time is something which passes away where as moments keep coming back in forms of photos,videos and the best of all memories.This trip was a well planned one with good facilities and I had a nice time making friends specially with some dodgy people.River rafting,Trekking were some of the activities I truly enjoyed.The entire credit goes to Mr Azad and his wife,who was really approachable making us feel at home.I would really like to come back again.*
